

Our Product Range.

Our range is focused on creating clean, safe and healthy water.

B-HEALTHY RANGE

Hybrid Sanitation and Purification Systems

These residential systems use advanced patented ozone-to-oxygen technology combined with the natural elements of freshwater or minerals to create healthy hassle-free pool water.

B-PROTECTED RANGE

On-Site Chlorine Generators via Electrolysis

These generators are the most cost effective way to produce safe healthy disinfected water without the need for dangerous chlorine handling, dosing and storage.

B-PURE RANGE

Secondary Purification Systems via AOP

These systems create exceptional water clarity whilst naturally reducing combined chlorine and destroying dangerous chlorine resistant parasites to ensure compliance with health departments.

B-SMART RANGE

Water Analysers and Controllers

These controllers deliver the cleanest, safest and maintenance free water available by using highly accurate probe technology to monitor and maintain swimming pool water chemistry.

WATER TREATMENT
TECHNOLOGY

POWERED BY
BRAUER
SWIM

The difference is Brauer Swim.

Brauer Swim where tradition meets innovation.

Brauer Swim is one of the leading brands for innovation and has revolutionised the commercial aquatics industry with its award winning patented technologies.

Experience the difference.

With 15,000+ residential systems built and 1,000+ commercial installations in learn to swim, aquatic centres, resorts, hotels, theme parks, schools and council pools, we are trusted within the aquatics industry to provide efficiency, performance and support.

Created by hand.

At every stage of our production, an expert technician ensures quality control. This attention to detail protects our exceptional reputation, built by us, since 1998.

A heritage of success.

With over 25 years of constant innovation, we have learnt that exceptional technologies come from the design, the quality of materials and the skill of the technician. This is why all of our equipment is created, designed and manufactured in Australia by us.

Performance that inspires.

Our exceptional performance is generated by our uniquely engineered designs that make any pool water clean, clear, healthy and hassle free.

Be inspired like other customers such as Elements at Bryon Bay, The Star, Sea World, Dreamworld, Gold Coast City Council, Brisbane City Council and 1000+ more.

Find out why the difference is Brauer Swim!

EXPERIENCE THE DIFFERENCE

We are passionate about developing and manufacturing world leading technologies to create healthy water for all aquatic facilities.

Our in-house research and development team have developed a number of significant international patents that are used within our technologies and allow us to deliver unrivalled results.

We want to help you create the ultimate aquatic environment for you, your staff and your clients.

Our mission is simple and pure, create the healthiest water possible by using innovative technologies that exceed expectations so all can **Experience the Difference.**

We look forward to assisting you in this quest to be the best.

Regards,

David

RESIDENTIAL

On-Site Hybrid Sanitation and Purification Systems

Healthiest pool water possible

Product Highlights.

- Low TDS (Freshwater) at 1,200-3,500ppm and Mineral/Salt Compatible at 3,500-5,000ppm
- Suits Residential Pools Up To 70,000L (B-Fresh Series) and 150,000L (B-Mineral Series)
- Patented Ozone-to-Oxygen Technology
- Venturi Design for Variable Speed Pumps
- Extended Electrode Life Technology
- Robust and Reliable
- Built To Last Using High Quality Components
- Low Maintenance
- Australian Made with 3 Year Full Warranty*
- 10 Year Ozone Cell Warranty*

Download more information

*Warranty excludes check valves and filter media

SEMI COMMERCIAL

Onsite Chlorine Generators via Electrolysis

Commercial quality, easy to use

Product Highlights.

- Chlorine Output of 50, 100 and 150 gram/hour
- Mineral and Salt Compatible
- TDS levels 3,500 - 5,000ppm
- Extended Electrode Life Technology
- Single and Twin Cell Design
- Industrial Look and Functionality
- Robust and Reliable
- Built To Last Using High Quality Components
- Low Maintenance
- Reduce Storage and Handling Of Chemicals
- Proprietary Technology
- Australian Made With 3 Year Warranty*

Download more information

*Warranty available on obtaining Sizing Certificate Brauer Swim. 18 Months warranty for commercial application. 36 month warranty for residential use.

COMMERCIAL

On-Site Chlorine Generators via Electrolysis

Low maintenance, cost effective

Product Highlights.

- Chlorine Output from 100 to 3,000 grams/hr
- Low TDS (Freshwater), Mineral and Salt Compatible
- TDS levels 1,200 - 35,000ppm
- Extended Electrode Life Technology
- Sealed Ingression Proof Cabinet
- Robust at High Ambient Temperatures
- Skid Mounted Design for Minimal Footprint
- Built To Last Using High Quality Components
- Can Be Customised For Unique Applications
- Reduce Storage And Handling Of Chemicals
- Proprietary Technology
- Australian Made With 3 Year Warranty*

Download more information

*Warranty available on obtaining Sizing Certificate Brauer Swim

COMMERCIAL

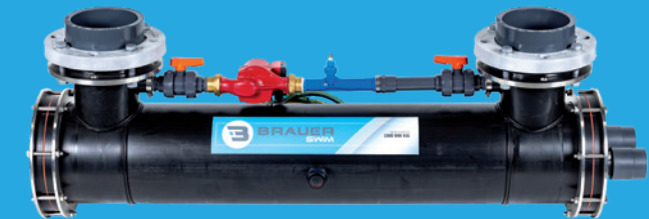

Secondary Purification Systems via AOP

Bather comfort, regulatory compliance

Product Highlights.

- Effectively Destroys Chloramines
- Destroys Cryptosporidium and Giardia
- Reduces Chlorine Demand
- Enhanced Water Clarity
- Ensures Bather Comfort
- Improved Air Quality
- Longer Lasting Equipment and Pool Surrounds
- Energy Efficient
- Patented Technology
- Australian Made with 2 Year Warranty*

Download more information

*Warranty excludes Lamp/s. Z and X Series Lamp Life Pro-rata Warranty 12000 hours, W Series 8000 Lamp Life Pro-rata Warranty.

COMMERCIAL

Water Analysers and Controllers

Hassle free, minimise chemical usage

Product Highlights.

- Optimum Control of pH and Chlorine Levels
- Single Point Calibration of Probes
- Isolation of Probes Possible
- Pulse Frequency Relay for Diaphragm Pumps
- Configurable Power Relays
- Chemical Dosing Stops When No Flow is Detected Through Sample Line
- Inline Filter Assembly
