RANGE

Product.
Water Chemistry Analysers and Controllers

Our Commercial Chemical Analysers and Controllers use state of the art technology to monitor and maintain swimming pool water quality. The Controllers combine lab-test accuracy with online monitoring and control to minimise chemical usage and maximise efficiency with up to six water parameters. This makes these controllers the logical choice for pool owners that demand the cleanest, safest and maintenance free water available.

Applications.

- Learn to swim pools
- Aquatic centres
- Water parks
- Splash pads and water slides
- Hydrotherapy pools and spas
- Resorts and hotel pools
- Holiday park pools
- Apartments and body corporate pools

Range.

- A Series (Powered by Aquarius)
- P Series (Powered by ProMinent)

COMMERCIAL

Smart™
RANGE

Product Highlights.

- Optimum Control of pH and Chlorine Levels
- Single Point Calibration of Probes
- Isolation of Probes Possible
- Pulse Frequency Relay for Diaphragm Pumps
- Configurable Power Relays
- Chemical Dosing Stops When No Flow is Detected Through Sample Line
- Inline Filter Assembly

Standard Features - A Series.

- Controller Powered by Aquarius
- 7" Touch Screen Display
- Sensors and Probes: pH, Temperature, ORP, Free Chlorine, Total Chlorine, Conductivity and Flow
- Backboard Mounted, Pre-wired and Tested
- Probe Holder and Flow Switch Assembly
- 10A Relay for Salt Chlorinators
- 4 x Inbuilt 240v Outputs for Dosing Pumps or Solenoids as Well as Low Voltage Outputs
- USB Port to Download History or Upload Settings

Standard Features - P Series.

- Controller Powered by ProMinent
- Illuminated Display
- Sensors and Probes: pH, Temperature, ORP, Free Chlorine and Total Chlorine
- Backboard Mounted, Pre-wired and Tested
- Probe Holder and Flow Switch Assembly
- Analogue Output 0/4-20 mA for Measurement/Control Outputs
- Water Chemistry History Stored on SD Card

Optional Features.

- Remote Monitoring

The difference is Brauer Swim.

Brauer Swim where tradition meets innovation.

Brauer Swim has become one of the leading brands for innovation and has revolutionised the commercial aquatics industry with its award winning patented technologies.

Experience the difference.

With over 1,000 commercial installations in learn to swim, aquatic centres, resorts, hotels, theme parks, schools and council pools, we are trusted within the aquatics industry to provide efficiency, performance and support.

Created by hand.

At every stage of our production, a master technician ensures quality control. This consistent quality control protects our exceptional reputation built by us, since 1998.

A heritage of success.

With over 25 years of constant innovation, we have learnt that exceptional technologies come from the design, the quality of materials and the skill of the technician.

This is why all of our equipment is created, designed and manufactured in Australia by us.

Performance that inspires.

Our exceptional performance is generated by our uniquely engineered designs that make any pool water clean, clear, healthy and hassle free.

Be inspired like other customers such as Elements at Bryon Bay, Palazzo Versace, The Star, Sheraton, Sea World, Dreamworld and 1000+ more.

Find out why the difference is Brauer Swim!
